

2024

2025

Lake Arthur Municipal Schools Board of Education, Superintendent,
and Principal's Goals for the 2024-2025 School Year

**TEACHING &
LEARNING**

Ensure that every student has access to a certified teacher who understands the curriculum, pedagogy, and students' needs. Achieve a 10% increase in proficiency scores for K-12 English Language Arts, Math, and Science, as measured by state summative assessments. Monitor growth through Beginning of Year (BOY), Middle of Year (MOY), and End of Year (EOY) interim assessments. Increase the graduation rate by 3%.

**MENTAL HEALTH &
SEL**

Promote mental health and social-emotional learning (SEL) by leveraging the recent Mental Health First Aid certification of our high school students and teachers. Implement individual and cohort comprehensive support programs to foster a positive and safe school environment, ensuring all students have access to the mental health resources they need.

**COLLEGE & CAREER
PATHWAYS**

Launch pilot Capstone projects and expand work-based learning opportunities, including paid internships, for senior and junior students.

FACILITES

Initiate the remodeling of the historic Lake Arthur Old School House, upgrade the gym bathrooms to meet ADA standards, and enhance student safety by repairing and improving sidewalks.

BOARD/POLICY

Comply with SB 137 by ensuring board members receive training in public school finance, the role of school boards in improving student achievement, and best practices for supervising and supporting a superintendent. Additionally, live stream all meetings, review policies to comply with Title IX requirements, and ensure adherence to the Open Meetings Act.
