

2023

2024

The Lake Arthur Municipal Schools Board of Education, the Superintendent and the Principal's Office GOALS for the 2023-2024 school year.

TEACHING & LEARNING

Increase proficiency scores in K-12 English Language Arts (60%), Math (minimum of 30%), and Science (60%) as measured by state summative assessments. Monitor growth through BOY, MOY & EOY interim assessments.

MENTAL HEALTH & SEL

Expand Social Worker/Counselor time to provide cohort and individual support to all students.

COLLEGE & CAREER PATHWAYS

Expand career pathways to agriculture & nursing as we continue building on our welding program.

FACILITES

Remodel the HS bathrooms, complete MS roof improvements, finalize infrastructure for electric buses, and apply for a grant to replace the seven HVAC units at the ES.

BUDGET

Transparency, clear expectations, and monthly reports of a budget created to support the district's goals, expectations, and outcomes.
